Kat –the only item I have is Wes Carpenter to talk about Safety and Health considerations in the Gold King response effort – 10 minutes. Steve Blankenship may have sent you a note on this on Friday?

Please add Wes, Steve Blankenship and Maryann Petrole to the invite.

Sorry there isn't more – lots of folks out this week.

Hi Lynnann,

Sorry to get back to you late...I've been activated for the Gold King Mine response, so wearing 2 hats.

I did not see any follow up items on my notes from the LR VTC last week. You and John may have follow up items from the regions on the contingency planning lists.

Did anyone provide you with any other items for tomorrow's call?

Thanks,

Kat

Kat – I was out last week in training – I'll have something for you today....checking with folks now.

Is there any follow up from last Thursday's meeting with Alexis? I missed it because I was out.
